Staff Nurse [M14]

Earning: **££**

Alice (22) looks after patients while they are being assessed on arrival. She is part of the nursing team who decide which ward is most appropriate for each new patient. She deals with patients with a wide range of conditions and there is a rapid turnover on the ward. The work can be stressful, both physically and emotionally, but she enjoys working as a team and making a difference. 6'01

Antisocial Behaviour Reduction Officer [M61]

Earning: **££-£££**

Tom (24) works for the council and handles complaints about antisocial behaviour from the public, police and other organisations. He talks to offenders and tries to prevent their behaviour escalating into crimes that will involve the courts. He works closely with the police, youth workers and community representatives. 5'08

Tom's qualifications: Degree in Criminology and Masters in Antisocial Behaviour Law & Strategy

Social Worker [M57]

Earning: **££-£££**

Jana (29) works on the Family Placement Team at the council. She assesses, supports and supervises foster carers and adopters. This requires training and excellent people skills as assessments are often long and intrusive. Her time is divided between visiting carers and adopters, compiling reports and in consultation with social workers representing the children. Her hours can be antisocial but she takes 'toil' (time off in lieu) and enjoys this flexibility. She talks about the variety of career paths she could take. 5'53

Hospital Pharmacist [M56]

Earning: £££

Adam (26) works as part of a team at a hospital and enjoys being in contact with patients on the ward. He checks prescriptions are suitable for the patients and that the patients are not suffering any side-effects. He also spends time in the dispensary preparing medications and manning a medicines information unit. He talks about other opportunities for pharmacists and his plans for specialisation. 5'03"
