Senior Playworker [M128]

Earning: ££

Liam (21) has been looking after children at a co-operative play group since he was at school. He organises indoor and outdoor activities and, as a director of the co-operative, he has many administration duties. He talks about the training, gender stereotyping, early starts, the satisfaction of working with children and his plans to one day start his own business. 5'42

Liam's qualifications: GCSEs incl. Business Studies and Art, NVQ Level 3

Gym Manager & Trainer [M123]

Earning: £££

Oba (26) job is divided between taking care of the marketing and the day-to-day management of a private gym and being a trainer. She works with groups and individuals of all abilities including some people who have been referred to the gym by their GPs for medical reasons. Her hours are long as she has also has private clients who she trains at their homes outside her regular working hours. She always wanted to work in fitness and talks about financial aspects of fulfilling her plan to start her own business. 4'41

www.fia.org.uk Fitness Industry Association

Oba's qualifications: NVQ Level 3

Event Manager [M129]

Earning: ££

Ash (24) works for BHP Inspiring Events who offer a range of exhilarating outdoor activities at their own premises and at other locations. He organises and instructs team-building events for corporate clients, and fun-days for private parties of all ages. Sometimes the hours are extremely long when they have residential groups or he is setting up an event away from the home-base. In between events he takes care of the grounds and he really enjoys this as a contrast to the event days. 5'24

Further Information:

www.theoutwardboundtrust.org.uk Outward Bound Trust
www.baha.org.uk British Activity Holiday Association

Ash's qualifications: GCSEs and Access to Music

Sports Inclusion Officer [M111]

Earning: ££

Caryl (23) works from Bath Rugby Club. She instructs 5 – 18 year-olds with special needs and adapts sessions according to their abilities. She loved IT and PE at school and began volunteering at her local hockey club after dropping out of university. She talks about career progression and her plans to one day become a teacher – possibly of maths and IT. 5'23

Further information:
